Gimnasio del Oso The Gimnasio del Oso (; "Bear Gym") is a sports and recreational center in the city of Saltillo, Mexico. The complex includes a synthetic American football field, a track, basketball courts, an Olympic-sized swimming pool, a weight-lifting and cross-country center, a baseball field, and a gymnasium. The Oso is located in the southwest of Saltillo, in the Pampa La Calera zone. Background The Gimnasio del Oso was constructed from July 11, 2009 to June 2010 and was one of the first sports and recreational centers to be built in the state of Coahuila since the late 1970s. Its construction cost MXN \$30,578,000, with a construction area of 46,310 m² (450,000 ft²). The construction of the Gimnasio del Oso was initiated by the city council of Saltillo to bring sports and recreational facilities for the population, such as baseball and football. Facilities In the first phase, the Gimnasio del Oso included a synthetic American football field, a field with Bermuda grass, a track, four basketball courts, a gymnasium, a sports medicine center, and a weight-lifting and cross-country center. The complex also includes an Olympic-sized swimming pool, a track and cross-country course, a sports medicine center, and a track and 82157476af
